

Communities Owning Their Future

Customised Programs

Want to take your business to the next level? Talk to us about developing a customised program to suit your unique business needs.

Introduction to Business With Community

Rising energy costs. Online retail. The Australian dollar. Business conditions have never been so complex. Great Place can help your business find opportunities in the midst of this complexity

Description

You will learn how Great Place can enable your business to generate strategic change ahead of change.

Be introduced to some of the emerging local and global conditions that will impact your business.

See how the Great Place approach can lead to a transformational approach to business.

The introduction is a two hour interactive workshop held either on-site at your business or online.

Outcomes

You will gain a basic understanding of the Great Place approach and method.

You will also gain early identification of key issues – challenges and opportunities that are facing your business and action which you can take to take turn both these challenges and opportunities to your advantage.
